- Identifying the instruments/voices they can hear.

Talking about the musical dimensions used in the songs.

Playing instrumental parts with the music by ear using the notes

Improvise in a Blues style Contributing to a performance and record it,

Maths

Algebra

- Simple formulae
- Linear number sequences
- Solve missing number problems algebraically
- Finding pairs of numbers that satisfy an equation with two unknowns
- Enumerate possibilities of combinations of two variables.

Converting units

- Solve problems involving the calculation and conversion of units of measure, using decimal notation up to three decimal places where appropriate
- Use, read, write and convert between standard units, converting measurements of length, mass, volume and time from a smaller unit of measure to a larger unit, and vice versa, using decimal notation to up to three decimal places
- Convert between miles and kilometres

Computing

We are publishers

Manage or contribute to large collaborative projects, facilitated using online tools.

Write and review content.

Source digital media while demonstrating safe, respectful and responsible use

Design and produce a high-quality print document
