

WRITING

How does the gorilla change Hannah's mindset?

We will be looking at the book The Gorilla by Anthony Browne and rewriting an adapted version.

GEOGRAPHY

What is the difference between human and physical features?

We will be looking at human and physical features and analysing their differences.

R.E

What makes some places sacred to believers?

We will be identifying religious practices and places as well as characteristics common religions.

COMPUTING

How many bugs reside in Stonehouse?

We will be looking at bugs living in the local area. We will be photographing them in their natural habitat and using different ways to record our data.

SCIENCE

How do different habitats help plants and animals survive and thrive?

We will be looking at the relationships between living things and environments and how they depend on each other to survive.

Science

Living things and their young

DT

How can we improve our classroom seating?

We will be designing, making and evaluating our own cushions by sewing.

Comprehension

What is the deeper meaning within Hodgeheg?

Our new class book is The Hodgeheg by Dick King-Smith.

MATHS

Fractions: we will be exploring equal and unequal parts. We will be learning about halves, quarters and thirds.

Time: we will be learning how to tell the time—using quarter past and quarter to, as well as half past. We will be telling the time to 5 minutes. We will learning about minutes in an hour and hours in a day.

PSHE

How can we keep our teeth strong and shiny?

We will be looking at the importance of dental hygiene and methods of practice.

P.E.

How can we ground ourselves physically and mentally?

We will be using yoga and meditation to practice core physical and mental skills.

Swimming: we will be having a taster session
