

Reading and Writing

Our book: The BFG (Roald Dahl)

In reading, we will be focusing on fluency, vocabulary, summarising and comprehension

We will be writing a setting and a character description .

Our grammar focus will be simple sentences and tenses.

History

Nomads or settlers? Which is better and why?

We will be Identifying chronology from the stone age to the iron age, exploring how people went from nomads to settlers and why.

Computing

How do we become programmers?

We will be focussing on developing our coding skills through the use of 'Scratch', to create a short animation.

Science: Rocks and Soils

What lies beneath our feet?

We will be exploring the soil and rocks beneath our feet and investigating how fossils are formed?

Maths

Place Value (numbers up to 1000)

Addition and Subtraction

PSHE

What makes me, me?

We will be talking about 'Me and my relationships' and rules.

R.E

What do Christians learn from the Creation Story?

Music

What is R&B music?

Our song: Let your spirit fly (Joanna Mangona)

We will be listening to, and appraising, this R&B song. We will be performing it with musical accompaniment and recording our improvisations with musical notation.

Art

How does Quentin Blake use water colours to create his illustrations?

We will be studying the work of Quentin Blake and mixing colours to create dream images linked to our book The BFG.
